Video-extras (if not already included in package)

Edited version - The ultimate directors cut!! Beautifully & creatively edited to approximately **30 minutes** duration. Including extracts from the entire day's filming, extracts of the vows & speeches, photo session etc. Both natural sound & music, creatively & effectively cut to the beat where appropriate. Incorporating subtle special effects such as slow motion, black and white, sepia etc....truly stunning & breathtaking! It's the perfect length to show to friends & family who don't necessarily want to sit through the full version.**£400**

Photo Introduction - Incorporating your own precious photographs, chronologically following the Bride & Groom's transition from childhood to the present day, creatively compiled to music...very effective & entertaining!!
Approximately 15 -20 photos per person..... **£100**

Digital Stills - Digital still images that are selected from your wedding film, that perhaps the photographer failed to capture or that are particularly exceptional. (Provided in print form or CD.).....**£7.50** per print (minimum of 10 but you can have as many as you like!)

NEW!! web clip - Highlights of the day compressed ready to include on a website, Youtube or My Space etc.**£25.00**

Travel Expenses - will be charged at **£0.50p** per mile within 50 mile radius. (Larger distances negotiable)

All costs are subject to VAT at the current rate.
(Prices are subject to change, please contact for an up to date quotation.)
